LOIS PIPPIN, 404-312-2633, lpippin@mindspring.com

Reminder notices will be emailed prior to each meeting with the link and information for the zoom meeting

We will continue our meetings virtually. It has been easier for some to attend meetings, and we can stay safe and yet still have a chance to support each other and share useful information. When things return to normal, we hope to, again, conduct our meetings face to face. We learn so much from each other!

Everyone is welcome. Our meetings are usually held on the third Saturday of each month, where everyone is given a chance to share and ask questions. The meetings are a wealth of information and encouragement. We have no dues or fees, just a chance to share. However, I do recommend that you join The Sjogren's Foundation where you will receive a tremendous amount of support and a publication "Conquering Sjögren's."
